

# Taff Valley Activity Centre & Wales Activity Breaks

## To Taff Valley Activity Centre From Cardiff

**DO NOT USE OUR POST CODE FOR SAT NAV – use the post code for  
Griffin Mill Peugeot Garage – CF37 5YE  
Then follow the country lane passed the garage up the mountain**

Head for the **A470 towards Merthyr Tydfil** (the A470 is the road that starts from Cardiff Castle in the city centre and heads north out towards the valleys). Once out of the city, the road widens into a fast dual carriageway.

Leave the dual carriageway at the 3<sup>rd</sup> exit sign posted **RHYDYFELIN**. Drive down the slip road onto a roundabout (*known as the Upperboat Roundabout on the far end of Treforest Industrial Estate*), into the right hand lane and leave the roundabout on the 6<sup>th</sup> exit sign posted **GELLIHIRION Ind Est / SUPERSTORE** (Tesco Upperboat)

**Take an immediate right** by our brown sign then you should pass the entrance to Griffin Mill Skoda / Peugeot garage above on your left-hand side. Keep going and the road will narrow to a country lane, proceed for about 700 metres and take a left over a railway bridge (2<sup>nd</sup> brown sign), then left again (3<sup>rd</sup> brown sign). Continue for just over ½ a mile uphill, the road will then start to flatten out. Continue for about 500 metres, passing a farm and cattle grid. Turn left through a gate at the 4<sup>th</sup> quad centre sign.
