Taff Valley & The Coronavirus

We would like to reassure our clients and staff that we're open for business as normal right now and follow closely the government's advice. The Chief Medical Officer has been quoted in saying that the virus will not survive long outdoors and lucky for us we're mainly outdoors!

We are starting to prepare for some of the possible eventualities though and taking extra measures to help prevent the spread of the virus.

We are undertaking additional cleaning, less contact with instructors, extra bits of kit available where possible and we're attempting to locate hand sanitizer!

We ask all clients and staff to be extra vigilant and aware of the situation and current advice.

Clients can also help by bringing their own gloves, boots, helmets/outdoor clothing, as much as you possibly can.

We have relaxed our booking terms and conditions to help with the situation and will work closely with our clients, staff and suppliers through these unprecedented times.

Rest assured we will do as much as possible to keep your adventures taking place in a safe environment!
